A resolution would be written and presented to the Council for the next meeting. He also reported that the issue of shared governance during non-contract times (summer/winter), when Academic Senate and College Council are not meeting, was discussed. This issue will be examined at future Council meetings.
3. Administrative Council: The Board adopted a master agreement to have th

Campus Community,

Attached, please find the Standing Committee List for 2012-2013. Please review it and/or search your name to ensure it is under the right committee(s), spelled correctly, etc. If there is a change please send me an email.

All committees require approval from Academic Senate, College Council, or the Educational Master Planning Committee.

For faculty members without a committee assignment, please contact your area Chair or Dean.

I will send a revised list and place it on the website mid-October.

Thank you,

Vikki Carr
