

and be more user friendly.

- IVC has to tell students how they can matriculate to other schools better.
- Make IVC more friendly to older adults who are returning to school.
- Customer service can be improved be less automation, more personal contact.
- IVC's Website needs improvement. It is very difficult to find information on it.
- Short term parking passes are difficult to find (locations to purchase them)

ACCESS TO CLASSES

- There are not enough courses. Access is becoming a problem. Classes are filling up much too quickly and more sections should be added to accommodate demand.
- Develop survey or foundational course in Alternative Energy that can apply to all forms of alternative energy generation
- Review priority registration policies. Why are EOPS students eligible when others are excluded?

FACILITIES

- IVC needs a larger and more modern book store and student services area.
- Counseling Center is too
