All

Our most recent ACCJC Accreditation Status is now known, we are “continuing on Warning Status” and must submit another Follow-Up Report before March 15, 2015.

Continuity and consistency in our Follow-Up Report is imperative along with strict adherence to a very tight timeline. Therefore we are asking for the committees for Recommendation #1 & #8 to resume meeting and to begin the response writing with evidence or proof of actions taken to correct the identified deficits.

Recommendation 1 – Planning with Program Review and Resource Allocation

- Todd Finnell, Ted Ceasar, Efrain Silva, Cathy Zazueta, Frank Hoppe, Terry Norris, Jose Carrillo

Recommendation 8 – Financial Strategy and Fiscal Stability

- John Lau, Kevin White, David Drury, Mary Carter, Matthew Thale, Melody Chronister, Craig Blek

Readers & Editors

- Dr. Nicholas Akinkuoye, Michael Heumann, Vikki Carr, Mary Carter, Linda Amidon, Jessica Waddell, Tina Aguirre

Please review the attached timeline and send corrections or alternatives for the target dates as appropriate.

Thank you for your past and future help in this arduous task – together we can do this!
