ASSOCIATE DEGREE PROGRAM

Transfer students who plan to complete an Associate Degree program must maintain a minimum grade point average of 2.0 in all college courses.

Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program. Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution or earning a bachelor's degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution or earning a bachelor's degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

Transfer students who plan to complete an Associate Degree program must maintain a minimum grade point average of 2.0 in all college courses. Detailed information is available in the college catalog.
