Tasks

Due Date	Status	Priority	Task	Budget Amount
06/30/2016	Incomplete	High	Work with IT to develop a process for specific student request forms to be approved and routed internally via the website. Currently for Student Petitions that need to be approved by instructors, department chairs and deans it is currently up to the student to track these individuals down to get their signatures. This process is very time intensive and can be quite frustrating for students.	\$0
