ESL & Basic Skills
Improve ESL completion for impacted students to ensure a high level of success that identifies students who need additional support.

1/On-Track:

7-2018 campus-based research indicated a 1% increase in ESL and Basic Skills completion for students who identify as Male.

In order to impact ESL & Basic Skills completion rates for Males, the Student Equity Department funded a Winter Bridge session for ESL students. The intensive session focused on bridging grammar, reading, and writing skills critical to be successful in the ESL and English courses.

Faculty who work with ESL students implement best practices across the region to improve instruction and delivery of workshops on grammar instruction.

2017-19 Integrated Plan: Basic Skills Initiative, Student Equity and Student Success and Support Program

When students placed in ESL levels in order to assist with acquisition of services, the department will engage in multiple measures when developing course placement recommendations. Various measures will be taken into consideration, such as accepting high school course work grades, and overall GPA, EAP level 4 scores, exploring student self-placement, and reviewing recommendations. Additionally, the department will ensure counselors and students collaborate to complete Comprehensive Educational Plans in a manner.
